LOT 2 - 04' Caterpillar D6R XL Dozer

Description

This 200 hp D6R Dozer has 18,474 engine hours and has been maintained to remain fully operational, with all systems in proper working order. Service work over the past 5 years includes installing a new starter, hydraulic hose, and two new trunnions. The rollers, including the Pit 4 belly rollers, are reported to be in good condition, new chain, sprocket, new bushings on arms and new idlers. Overall, this machine reflects consistent upkeep and readiness and is in great condition.

Quantity: 1
